## Computer Science

### *A Special Offer for Your Students!*

Four months access to *InfoTrac® College Edition*, the Online Research and Learning Center!

NOW FEATURING NEW PAPER WRITING AND CRITICAL THINKING TOOLS

### **FREE with ANY Thomson-Brooks/Cole Computer Science text...**

When you adopt a Brooks/Cole Computer Science text with *InfoTrac College Edition*, you can give your students anytime, anywhere access to 20 years' worth of full-text articles (**more than 10 million!**) from nearly **4,000** scholarly and popular sources! In addition to the research database, *InfoTrac College Edition* now features InfoWrite, an innovative new tool that helps students develop and write effective papers. Covering many different aspects, InfoWrite lets students hone in on the exact writing assistance they need, such as choosing a topic, composing introductions and conclusions, crediting sources, and much more. Also new to *InfoTrac College Edition* is a resource center on Critical Thinking, as well as links to a variety of helpful sites. See below for a selection of journals especially valuable to the computer science discipline, including *Communications of the ACM*, *Compute*, *Byte*, and *Journal of Database Management*.

*InfoTrac College Edition* is an invaluable resource students can use for EVERY course they take: to conduct research for term papers, to complete assignments, or to simply catch up on current events through publications such as *Time*, *Newsweek*, and *Forbes*.

### **Here is just a sampling of nearly 4,000 journals and periodicals available through the new and improved *InfoTrac College Edition!***
