## Psychology

### *A Special Offer for Your Students!*

Four months access to *InfoTrac*® *College Edition*, the Online Research and Learning Center!  
NOW FEATURING NEW PAPER WRITING AND CRITICAL THINKING TOOLS

### **FREE with ANY Thomson/Wadsworth Psychology text...**

When you adopt a Wadsworth Psychology text with *InfoTrac College Edition*, you can give your students anytime, anywhere access to 20 years' worth of full-text articles (*more than 10 million!*) from nearly **4,000** scholarly and popular sources! In addition to the research database, *InfoTrac College Edition* now features InfoWrite, an innovative new tool that helps students develop and write effective papers. Covering many different aspects, InfoWrite lets students hone in on the exact writing assistance they need, such as choosing a topic, composing introductions and conclusions, crediting sources, and much more. Also new to *InfoTrac College Edition* is a resource center on Critical Thinking, as well as links to a variety of helpful sites. See the back of this sheet for a selection of journals especially valuable to the psychology discipline including *Journal of Cognitive Neuroscience*, *Science*, *Journal of Social Psychology*, and *American Journal of Psychology*.

*InfoTrac College Edition* is an invaluable resource students can use for EVERY course they take: to conduct research for term papers, to complete assignments, or to simply catch up on current events through publications such as *Time*, *Newsweek*, and *Forbes*. And, Wadsworth makes incorporating *InfoTrac College Edition* into your course so easy! References to this virtual library—including *InfoTrac College Edition* key word search terms; activities, and exercises—are built into many of our psychology texts. In addition, we've created online *InfoTrac College Edition* guides and manuals accessible through our Web sites, as well as economical print booklets and manuals that can be packaged with the text of your choice.

**Turn over to see a complete list of journals and periodicals especially helpful for Psychology as well as some of our latest titles AUTOMATICALLY packaged with this online resource!**
